

Entropy Christmas Toy Guide for Girls

Our favourite selections for girls this year are revealed below. This includes dolls and doll houses, divine craft kits, accessories, role play toys, and games.

1. [Le Toy Van Doll House](#): Discover mazes of rooms brimming with potential that girls can decorate and imagine as they please. From \$199.

2. [Nutcase Helmet](#): Protect your child's precious head and brain in a Nutcase helmet. These stylish, unique designs make wearing a helmet fun. \$99.95.

3. [Corolle Dolls](#): These dolls look and feel as real as possible and offer worlds of play for children at every age and stage of development. Corolle's multicultural dolls are a delight! From \$59.95.

4. [Djeco craft kits](#): Djeco of France use artists as the foundation of their high quality children's art and craft kits. The exquisite illustrations and packaging render them a popular gift. From \$34.95.

5. [Tea Set](#): This classic tin tea set is for all connoisseurs. It includes serving tray, teapot, four serving plates, four cups and four saucers. All are stored in a retro red polkadot print suitcase. High tea anyone? \$29.95.

6. **Janod Strawberry range:** High chair, pram, cradle or bed: Take your pick from this stylish wooden doll furniture collection. From \$79.95.

7. **Ruby Luxe jewellery:** A unique brand of striking jewellery pieces for little sister, big sister and even Mum. From \$14.95.

8. **Sylvanian Families:** Allow your children to set their imaginations free. Create scenes, characters and personalities with these fantastic, high quality dolls and play items. From \$24.95.

9. **Battat Pop Arty:** Unique, snap together jewellery that's fun to make and wear. \$49.95.

10. **eeBoo Cupcake game:** A fun board game where children gather what they need to make the most divine cupcakes. \$39.95.
